Installation of Lean-to Greenhouses is available - please use above prices

Prices are based on:

Customer providing a flat & level paving slab or concrete base (& right angled wall for lean-to models)

If batterns, flashband or mastic are required then these can be quoted for seperately.

18" clearance to all 4 sides of greenhouse, and easy access to installation site.

Site to be free of obstructions e.g. overhanging branches, powerlines, manhole covers, etc.

For difficult access, or reduced clearance around greenhouse, extra costs may be applicable, which will be advised by the installer before work commences.

Installation money is paid direct to installer.
