

BOURNE STORAGE

BUILDING / GARAGE / OFFICE

The Bourne Storage/garage provides a long-term solution to a range of storage requirements, whether for housing a car, businesses, clubs or as a secure domestic storage of household items and gardening equipment, such as ride on mowers.

The Bourne range is designed to meet the need for heavy duty uses. The prices shown are for our basic building but we are pleased to provide quotations for individual designs. The range includes as standard our thicker cladding boards, as well as thicker floor and roof boards, which adds extra strength to the building.

Specification

- Guarantee
 - 12 months on faulty parts and labour,
 - 10 years against rot providing building is treated on an annual basis.
- Cladding
